VOLUNTEER OP

"On August 25, Venus de Miles, Colorado's largest all women's bike ride will be taking place. Venus de Miles is organized by Greenhouse Scholars, an education non-profit that cultivates young leaders. Greenhouse Scholars has asked if any CHOICE Students would be interested in volunteering at the Platt rest stop. The rest stop is right outside of Platt Middle School and has two shifts where they need at least 5 volunteers at each, 6:45 am-11 am & 10:45 am-3 pm. Responsibilities include distributing food and water to the participants as well as cheering them on as the pass by. It is super fun and interactive. You can bring music, food and have fun with it all while supporting an extraordinary cause." Please email Mary Pyle mpyle@greenhousescholars.org if you would like more information about how to volunteer for this cool event. Great way to kick off your volunteer hours.

TWO LITER PLASTIC BOTTLES

These are needed for an upcoming science project. Please bring to Rundell if you have any to donate.
