CHOICE DONATIONS

All CHOICE Donations are PAST DUE. Thank you for paying your CHOICE Donations. If you haven't contributed yet, it's not too late -- we really depend on these funds for our programming.

HALLOWEEN GUIDELINES

Halloween is quickly approaching. We are excited to celebrate!

A few costume guidelines:

*The dress code still applies. Students should avoid showing too much skin.

*We must be able to identify every student, so no masks or any other face covering.

*Absolutely no type of weapon including FAKE knives, guns, swords, etc.

RECYCLE YOUR BATTERIES!

Save the earth -- ONE BATTERY AT A TIME! Boulder has instituted a recycle/disposal program for small batteries, and Mr. Platt's library will act as a collection point for your batteries. Batteries contain bad stuff...so let's do the right thing for our environment! Send batteries in one at a time, or by the dozen! Important: All lithium batteries and any other battery over 9-volts must be taped with clear tape on the positive battery terminal.

ELECTIVE CONFERENCES

CHOICE parents are welcome to meet with elective teachers during Platt conferences on 10/23 and 10/24 (arena style). However, these conferences are ONLY for elective teachers and NOT CHOICE teachers. Our conferences were completed recently in Co-Op classes. See the Platt Parent Weekly for more information.

FUNDRAISING SUPPORT FOR PTO

Every Monday during the month of October, Pica's Mexican Restaurant in Boulder will be giving 15% of all sales back to Platt. The money from fundraising dinners goes to the PTO for funds that benefit all Platt students, including CHOICE.

COMMUNITY SERVICE HOURS

Students who want to earn community service hours can "trick or treat" for UNICEF on Halloween. Students can either collect donations or simply bring their candy to school on Friday, November 1st in a bag with their name on it and a local dentist will buy the candy, with funds being donated to UNICEF.

IC PROGRESS REPORTS

IC Progress Reports should be shared with you in the coming weeks. A friendly reminder that we give more expansive feedback on our trimester/semester rubrics. We mostly use infinite campus as a tool just to show assignment completion.
